EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Neblett on October 5, 2004 in order to delete an ambiguous phrase and correct antecedent.

The application has been amended as follows:

Claim 1, lines 1-2, “, particularly a passenger car of the sports car type,” is deleted;

Claim 20, line 1, “1” is changed to --15--;

Claim 27, line 1, “27” is changed to --26--;

Claim 28, line 1, “28” is changed to --27--;

2. The following is an examiner's statement of reasons for allowance: While the reference to Autofocus discloses the double convex/single concave roof, the prior art of record lacks the teaching to conform roof and roll bar at their interface where the roll bar has a double convex and single concave section.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
